1. The Virginia Gas and Oil Board considered a petition from Equitable Production Company for a well location exception for proposed well V-502765, Gladeville District, Wise County, Virginia. VGOB-03-06/17-1155.

The applicant seeks an exception in order to drill a conventional well closer to an existing well than allowed under statewide spacing. The well is to be 150 feet closer to gas well V-4335 than the 2500 feet mandated by spacing. The exception is needed to prevent loss of resources. A permit application has been submitted.
